DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5, 7-11, 14-20 and 23-24 allowed.
2. The following is an examiner's statement of reasons for allowance: the prior arts in the record fails to disclose a method and system for determining a number of prominent inputs from the received inputs, the inputs being determined as prominent based upon voice clarity and voice loudness; combining prominent inputs into an output packet including at least two sub-packets, the sub-packets having payloads including mixed received inputs from the number of participants, wherein the payloads of at least two of the sub-packets contain different mixed received inputs; and configuring the sub-packets in the output packet so that upon receipt of the output packet by a participant, the participant examines the packets and outputs a first examined sub-packet which does not include an indication that the sub-packet includes content received from the participant, the output packet being configured as a UDP packet which encapsulates the first sub-packet and the second sub-packet, the first sub-packet and the second sub-packet configured as RTP packets within a structure of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
